

## Freshaire Service

*Workplace Essentials' contemporary air-freshening units help eliminate odors and create a pleasant environment in busy restrooms, changing rooms, reception areas, locker and meeting rooms.*

- **Regular service and maintenance**  
Our fully trained service and maintenance personnel will install your air freshener and regularly replace its fragrance and batteries when needed, ensuring your unit is always in working order.
- **Superior fragrance dispersal**  
The Freshaire *Mist* delivers an effective dose of fragrance at preset intervals around the clock, while the Freshaire *Essence* uses a microfiber wick to emit a continuous, light citrus scent.
- **Tamper-proof**  
A sturdy concealed lock provides extra protection against tampering.

## Aromaire Service

*Workplace Essentials' Aromaire unit is designed to fit in the smallest of spaces. It is ideally suited to freshen the air and mask unpleasant odors in elevators, fitting rooms, changing cubicles and restroom stalls.*

- **Regular service and maintenance**

Our fully trained service and maintenance personnel will install your air freshener and replace the fragrance on a regular service schedule.

- **Natural deodorizing compound**

The Aromaire is a passive system that continuously freshens the air using a natural organic deodorizing compound.

- **Variable fragrance level**

The fragrance level of the Aromaire can be reduced by adjusting the side vents located on the unit.

- **Tamperproof**

A sturdy concealed lock provides extra protection against tampering.
